

Riverside Primary – Geography Knowledge Organiser KS1 Seas and Coasts

Topic: Seas and coasts

Phase: KS1

NC Strand: Location knowledge, human and physical geography, geography skills and fieldwork.

Key Vocabulary:

beach	The land at the edge of a body of water, sea, lake or ocean.
cliff	A very steep natural wall of rock.
coast	The area where land and sea meet.
ocean	An ocean is a very large sea.
continent	A continent is a large solid area of land. Earth has seven continents.
sea	Seas are areas of salty water.
country	A country is an area of land.
coasts	Coasts are the bits of land that meet a sea or an ocean.
physical features	Are natural things like trees and rivers.
human features	Are things that are not natural like roads and shops.
fieldwork	Collecting information in a natural environment.
eroding	Eroding means slowly rub away.
Compass	The compass is a tool which points out directions.

Locational knowledge -Name and locate the world's seven continents and five oceans.

Human and physical geography - identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

Geographical skills and fieldwork - Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map.

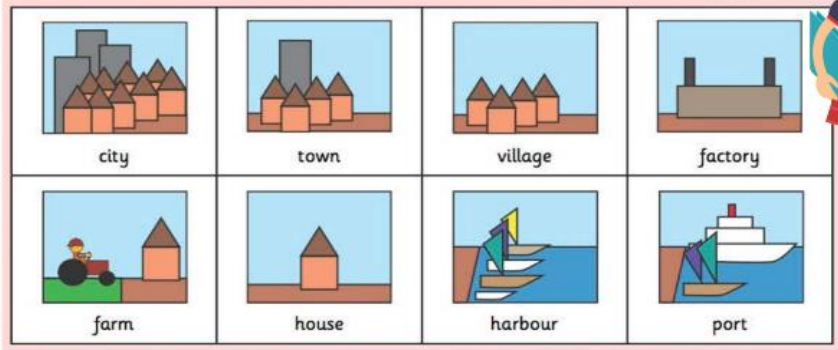

This is a map of Great Britain and Ireland. Can you find England, Wales, Scotland, Northern Ireland and Ireland?

How many seas and oceans can you find? What are they called?

Map labels: North, South, East, West, SCOTLAND, Edinburgh, THE REPUBLIC OF IRELAND, Northern Ireland, Belfast, Irish Sea, ENGLAND, Wales, Cardiff, Celtic Sea, The English Channel, North Sea, Atlantic Ocean, London.

Navigation: Back, Next

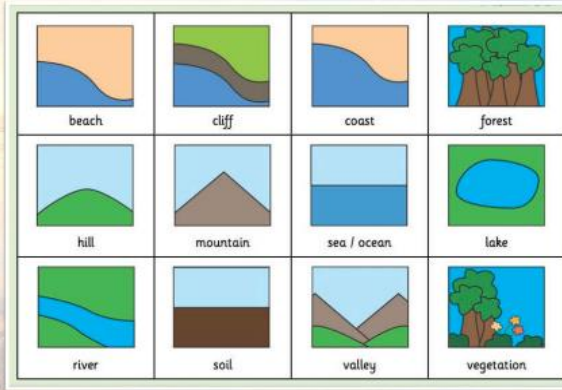

Human features are things that don't occur naturally, such as roads, shops and harbours.

Next

We are going to spot human and physical features on and around beaches in the United Kingdom.

Physical features are things that occur naturally, like trees, rivers and mountains.

Next

What is the same and what is different in the pictures?

What human and physical features can you see?

Dorset

Cornwall

Cornwall

Did you find the five oceans and seven continents?

Back

This is the compass rose. It shows the direction of North, East, South and West.
