Name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.

Place knowledge --Understand the geographical similarities and differences through studying the human and physical geography of a small area of the UK.

Riverside Primary – Geography Knowledge Organiser Where do I live?

These labels show what each of the continents and oceans are called.

Where are we on this map?

Did you know?

The four countries that make up the United Kingdom are England, Scotland, Wales and Northern Ireland.

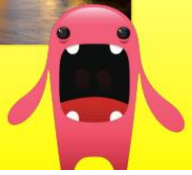

Did you know?

Each of the countries of the UK has their own capital city. A capital city is the most important city in a country as it is where the government runs the country from.

The overall capital city of the United Kingdom is London. This is where the central government runs the whole of the UK.

This is the Houses of Parliament where the Members of Parliament meet to decide how the country should be run.

Each country also has its own national flag.

Welsh Flag

Scottish Flag

English Flag
