Dear Parents and Carers,

We are delighted to share an exciting opportunity for children who enjoy singing and want to develop their confidence, creativity and musical skills.

Singing Lessons with Heidi – Where Confidence Meets Creativity!

Heidi is a 23-year-old professional singer-songwriter, multi-instrumentalist and vocal coach, recently signed to Universal, with music featured on BBC Radio 1, Love Island and Sky News. Alongside her career, she has over seven years' teaching experience at top music schools and a passion for helping young performers shine.

In her lessons, children will:

-  Explore their voices and discover their unique sound
-  Build confidence both on stage and in themselves
-  Sing the music they love – from pop to soul to musical theatre
-  Learn proper technique to sing safely and powerfully
-  Work in a supportive, creative environment where every voice matters

Heidi explains:

"Without music, I wouldn't have made it through school. That's why I'm so passionate about making music a big part of education – there's a place for everyone here."

Whether your child is completely new to singing or already performing, these lessons are designed to help them unlock their full potential while having lots of fun.

Lesson options and prices:

- 15 minutes – £11
- 20 minutes – £14
- 30 minutes – £19
