Dear Parents and Carers,

We are pleased to share that our singing lesson provision is expanding. Due to increased interest and additional availability from our vocal coach, Heidi, we are now able to offer lessons across two days each week, allowing more children the chance to take part.

Singing Lessons with Heidi – Expanding Opportunities for Young Performers!

Heidi is a 23-year-old professional singer-songwriter, multi-instrumentalist and vocal coach, recently signed to Universal, with her music featured on BBC Radio 1, Love Island and Sky News. Alongside her performing career, she brings over seven years' teaching experience from leading music schools and a passion for helping young singers grow in confidence and creativity.

During their lessons, children will have the opportunity to:

- 🎤 Explore their voices and discover their unique sound
- 🌈 Build confidence both on stage and in themselves
- 🎧 Sing the music they love – from pop to soul to musical theatre
- 🎵 Learn healthy vocal technique
- ✨ Enjoy a supportive, creative environment where every voice matters

Heidi shares:

“Without music, I wouldn't have made it through school. That's why I'm so passionate about making music a big part of education – there's a place for everyone here.”

Whether your child is brand-new to singing or already enjoys performing, these lessons offer a fun and inspiring space to develop their skills.

Lesson options and prices:

- 15 minutes – £11
- 20 minutes – £14
- 30 minutes – £19
