Dear Parents and Carers,

You may be aware that Ofsted and the Care Quality Commission (CQC) are currently carrying out an inspection of SEND provision across the Essex Local Area Partnership, taking place from Monday 5 January to Friday 23 January 2026.

As part of this inspection, inspectors are seeking the views of parents and carers of children and young people with special educational needs and/or disabilities (SEND). This is an opportunity for you to share your experiences of the support your child receives across education, health and care services within Essex.

Your views are important and will be treated in confidence. Please follow this link to access the survey: [Area SEND inspection for Essex Local Area Partnership](#)

Please note that all surveys will close at 9:00am on Tuesday 13 January 2026.

We encourage families to participate if they wish, as this feedback helps inspectors understand how SEND services are experienced by families across the local area.

Kind regards,
Claire Smith
