## Art walk along the river - Parent helpers needed!

Dear Parents and Carers,

For our art topic this half term, we are looking at studying the work of Japanese artist **Katsushika Hokusai**. As part of gathering inspiration and ideas, we will be walking down to the River Crouch and back to school. This will take place from 1:30pm (approx) on **Wednesday 21st January**.

We would be grateful if any parent volunteers could support us with this activity by accompanying and supervising the children and would ask that you email your child's class teacher email account to register your interest. Regrettably, we are unable to accommodate siblings with parent helpers.

The class emails are:

Yours sincerely,

LKS2 Team
