Dear Parents,

We are writing to invite you to participate in a focus group as part of our consultation on the school's RSHE policy. This policy is an important part of our curriculum, and we want to ensure that it is effective, relevant and meets the needs of our pupils and the community.

The focus group will take place on the morning of Friday 24th April 2026 at 9.30am and will last approximately one hour. We would like to have a group representative of the school community and the ages of our children reflected in the parents who participate. Your input and feedback are essential to ensure that we are meeting the needs and expectations of our students and families throughout their time at Riverside.

During the focus group, we will be asking for your thoughts on various aspects of the RSE policy, including the topics covered, the resources used, and how the policy is communicated to parents and students. We value your opinions and hope that you will be able to join us for this important discussion.

If you are interested in participating in the focus group, please let me know by emailing kangaroo@riversideprimary.co.uk by Friday 17th April. We will then send you further details and confirmation of your place in the group.

We would like to thank you in advance for your participation and look forward to hearing your thoughts and ideas.

Your sincerely

Mrs Robson

RSHE Coordinator
