Friday 19th June 2026

Dear Parents/Carers,

## Year 4 Pasta Salads - DT

As part of our Design and Technology (DT) project this half term, the children will be designing and making their own pasta salads. This exciting activity will take place on Wednesday 8th July.

We will be providing the pasta for all the children. To make their salads more personalised and creative, we are asking each child to bring in **3-4** vegetables of their choice to add to their dish.

Please note the following:

- No meat, fish, or nuts should be included, to ensure the safety of all children. (These can be added at home.)
- If your child would like to include any vegetables that require cooking, we kindly ask that these are pre-cooked at home before being brought in.
- Children will also need to bring in a named container so they can take their finished pasta salad home with them.

This activity is a great opportunity for the children to explore healthy food choices, practise food preparation skills, and have fun designing their own tasty creations.

Thank you for your support. If you have any questions, please don't hesitate to get in touch.

Kind regards,  
Year 4 Team
