Monday 29th June 2026

Dear Parent/Carer,

Times Tables Rockstars (TTRS) Club - September 2026

We're excited to announce that our **FREE TTRS Club** for KS2 children will be resuming in September 2026! The club takes place before school every **Monday** from **8:00 am** in the ICT Suite.

TTRS (Times Tables Rock Stars) is an engaging, web-based platform designed to help children master their times tables and division skills. Through fun and interactive single-player and multiplayer games, pupils can compete against their peers, reinforcing their fluency in these key areas through regular competitions.

We believe this is a fantastic opportunity for your child to enhance their times tables and division skills in a fun and interactive way.

If you are interested in your child joining the club, please complete the following Google Form by **Friday 10th July**:

👉 <https://forms.gle/Hgnt8ATSuH4jZmsz6>

A confirmation email will be sent before the Summer holidays, to confirm your child's place in the club, with a reminder email being on **Tuesday 1st September**.

Please note that once registered, your child will remain on the register for the entire Autumn term unless you email to confirm that they no longer wish to attend. At the end of each term a new sign-up will be sent out for the following terms.

Kind regards

Miss E Shaw
Deputy Headteacher & Maths Lead

Mr D Sage
IT Administrator

PLAY.
PRACTISE.
ROCK!

TIMES TABLES ROCK STARS

TTRS

MASTER YOUR TIMES TABLES.
BECOME A ROCK HERO!

The exciting, engaging and effective way to master times tables!

WHAT IS TTRS?

We're a web and app-based programme used by thousands of schools worldwide to help children learn and master their times tables.

Students play in a variety of game modes that adapt to each child's individual needs — asking the questions they find more difficult more often. This builds confidence, fluency and accuracy in a fun and motivating way.

They earn coins for correct answers which can be used to upgrade their rock avatar and climb the Rockstar Ranks — with the ultimate goal of becoming a **Rock Hero!**

FOR STUDENTS

- MULTIPLE GAME MODES**
Play solo to improve your speed, or challenge your friends and players around the world in exciting multiplayer games!
- PERSONALISED LEARNING**
Questions adapt to you, so you practise the tables you find trickiest, more often.
- EARN & UPGRADE**
Answer questions, earn coins and customise your rock avatar with awesome gear!
- ROCKSTAR RANKS**
Climb the ranks as you improve your speed and accuracy — all the way to **Rock Hero!**

ANSWER QUESTIONS.
EARN COINS.
UPGRADE.
ROCK!

HOW IT WORKS

FOR PARENTS

- SUPPORTS CURRICULUM LEARNING**
Covers all times tables from 1x1 to 12x12 in line with the maths curriculum.
- BUILDS CONFIDENCE**
Independent practice helps children feel more confident in maths — at school and at home.
- SAFE & MOTIVATING**
A safe online environment with motivating rewards that children love.
- TRACK PROGRESS**
Teachers can set tasks and monitor progress. Ask your child's teacher for more details.
