Dear Parents and Carers,

All Year Groups - Helping Every Child Thrive – Have Your Say on Inclusion at Riverside

At Riverside Primary School, we are committed to ensuring that every child feels included, valued and supported to achieve their full potential.

As part of our ongoing school improvement work, we are developing our Inclusion Strategy for 2026–2027, informed by guidance from the Department for Education and the new Inclusive Mainstream Fund.

We want to ensure that our approach reflects the needs of our children and families. To do this, we are gathering the views of parents, pupils and staff to help us understand:

- What helps children learn, feel happy and succeed at school.
- What barriers may make learning or participation more difficult.
- What we already do well to support children.
- What improvements we could make to help every child thrive.

We would be extremely grateful if you could complete our short parent and carer questionnaire https://forms.gle/22ut86CRVgCjuofJ7 It should take approximately five minutes.

Your feedback will help us identify priorities and make informed decisions about how we develop inclusive provision across the school.

Responses will be reviewed collectively and used to inform our Inclusion Strategy. Please avoid including children's names or other identifying details in your responses.

Thank you for your continued support and for helping us make Riverside the very best school it can be for every child.

Kind regards,

Mrs Claire Smith
